

Enclosed with this letter is a contract authorizing Westmoreland Cleanways and Recycle Management to place a recycling container at your facility and to service it. Recycle Management retains full liability, the same as your regular waste hauler who has equipment on your property.

When completing the form, please be sure to indicate:

1. physical address where the bin(s) are to be located
2. correct mailing address
3. contact information for the person who will be our primary contact for the single stream recycling program.
4. valid email address for ease of providing timely communications about the program
5. authorized signature

Mail, fax, or email the completed form to me at the address listed on this letter. Once we receive your completed form, Recycle Management will proceed with placement of your bin in a timely fashion. \*At this time, we do not know what color the bins will be.

Westmoreland Cleanways and Recycle Management are confident that this Single Stream Recycling Program will serve you and our Westmoreland County residents well. Please call me if you have any questions or would like to meet to discuss ways to implement your program.

Sincerely,

Ellen C. Keefe
