

HEMPFIELD TOWNSHIP BOARD OF SUPERVISORS
MONTHLY MEETING
FEBRUARY 23, 2009
7:00 PM

1. CALL TO ORDER AND PLEDGE TO THE FLAG

Chairman, Mr. John Silvis called the February 23, 2009 meeting held in the Hempfield Township Municipal Building to order at 7:00 p.m.

Members Present: Mr. John Silvis Mr. John Bossi
 Mr. Tom Logan Mr. Bob Davidson
 Mr. R. Douglas Weimer

Staff Present: Mr. Les Mlakar Mr. Dan Schmitt
 Mr. Mike Volpe Mrs. Lynda Lytle

2. CITIZENS COMMENTS (As Per Resolution #99-11)

a. Rudy Ferrara from 4108 Cambridge Drive representing West Hempfield Recreation explained that Tillbrook Recreation is requesting that the Township pay the fee of \$5,100 (low bid) to build the dug outs on Merlin Field until they receive their State grant in the amount of \$5,000. The Association will then, after their grant is received, probably in June or July 2009, will reimburse the Township in the amount of \$5,000. Mr. Weimer stated that this is scheduled to be acted upon later in the agenda.

Mr. Ferrara then questioned if the Township dumped a concrete box culvert at the ball field sight. Mr. Volpe stated that the Road Department had dumped two tree stumps at the sight which needed to be removed near the field after the wind storm, but did not dump anything else. Mr. Volpe will check on the items which were dumped.

b. Alfred Crimboli from 121 Possum Hollow Road complained about the sewage office and municipal sewage that is to be installed. He was instructed to directly contact Rege Ranella at the Hempfield Township Municipal Authority or the Authority Board.

c. Todd Neptune from 249 Albrights Lake Road wanted a clarification as to exactly why he received the letter on the hillside that is sliding onto the road right-of-way. The letter stated that it was being sent because of a study that was done by the Township staff and that the sliding hillside was an unsafe condition and that he has 60-days to remedy the condition. Mr. Mlakar cautioned that he did have a conversation with Mr. Neptune's wife and she stated that she and her husband indicated that they were going to take legal action against the Township. Mrs. Neptune then stated that she had not attempted to take legal action. Mr. Schmitt and Township staff met with Mr. Neptune's wife approximately 1 year ago regarding the hillside sliding onto Albright's Lake Road. At that time the situation was found not to be a Township issue, but within the origin of private property. At that time

it was cleaned up by the property owner. It then again happened. The Township staff again met with Mr. Neptune to find sources. A realistic option to the cause was not found. Mr. Schmitt does feel that the problem is within the private property and not within the roadway or something that the Township is doing. Mr. Neptune then asked if testing or core sampling was done by the Township. Mr. Schmitt stated that no testing was done but it was found that some French drain issues were noted and that any earth moving may cause the water table to shift. Mr. Neptune stated that the sliding is within the right-of-way and he does not own the right-of-way. Mr. Mlakar stated that the property owner does own the right-of-way subject to the center line of your road, subject to the rights of the traveling public and certain utilities. Mrs. Neptune then stated that they tiered the property in 1994 to improve the property. This problem started approximately two years ago when the Township cleared the ditch area at a different angle than they normally did. No water is seeping from the hillside. The homeowner and the Township have cleared the area once each. Mr. Neptune stated that he wishes to cooperate with the Township to get this problem solved. Mrs. Neptune then stated that after the sewer lines were installed a large wet area appeared in the lower field right across from the sliding hillside and at times you cannot run a tractor on that area. Mr. Schmitt stated that he felt the slough area was like that before the sewer line was installed. Mr. Schmitt will call Chris Drost at the Conservation District and set up a Wednesday meeting at the site with the property owner, Township staff and any available Supervisors. Mr. Neptune will remove some of the excess dirt to make the area safer for the public. Mr. Logan would like this handled before the Public Work Session in March 2009.

- d. *Greg Saunders from 318 Price Street in Bovard, President of the Fire Chiefs Association* stated that he had a report, which was submitted to the Supervisors, that eleven fire companies reported 435 responses to emergency calls. Nine fire companies reported 1,514.54 man hours for the month of January 2009. Fort Allen VFD did not respond to the request and Hempfield #2 did not have man hours.

The Fire Chiefs Association will be sponsoring a Courage to be Safe Seminar along with the Pennsylvania State Fire Commission on Wednesday, March 25, 2009 at 6:00 p.m. in the Four Points Sheraton Hotel. Firefighters from the entire region will be invited to attend.

Mr. Saunders then asked if the Supervisors had any recourse they were able to take against the State for blocking the Township Fire Code. Public safety problems have arisen within the Township. During the wind storm event on February 11, 2009, the fire suppression system was damaged at the Route 130 Sunoco. They did not repair it but had it removed, which is causing an unsafe condition. If this had happen when the Township Fire Marshal was on duty, it would have been repair immediately. The Township was safer when we were able to follow our own fire code. The State is causing the Township to go backwards. Mr. Weimer requested that the Fire Chief's also send letters to the State.

- e. *Greg Zimmerman, H.E.M.A. Coordinator* reviewed the H.E.M.A. response to the wind storm on February 11, 2009. It was the first incident since his appointment. There were two warming shelters. The first one at Hempfield High School on Thursday which was set up by the County and one on Friday at the Hempfield Township Municipal Building. The centers were shut down early because no one took advantage of the sites. He discovered that a couple people did show up later in the evening but they had already pulled out. He will be meeting with them to establish better communications so that an incident does not happen like this again. Water buffalos were located at Rescue #14 and at the Municipal Building. The website "The Watch Desk" commended H.E.M.A.

for the actions taken, such as, opening the H.E.M.A. building (the only Township in the County) and using a frequency other than the 800 mhz which was congested and froze up.

Mr. Zimmerman recommended that the Township dedicate the new mobile command post to the memory of Andy Turk and notify the family of the dedication and hard work. He was a dedicated member of H.E.M.A. and recently passed away. Mr. Silvis stated that this would be taken under advisement.

There will be a weather drill on March 5, 2009 at approximately 9:00 a.m. with H.E.M.A. and the School District with Rebecca Costello being their contact person. There will be two separate wind storm incidents running at one time. One will be at West Point Elementary and the other at West Hempfield Elementary. This will be a table-top exercise through PEMA.

Mr. Silvis then thanked Greg Zimmerman for H.E.M.A.'s efforts during the wind storm.

- f. Dan Nescot from 111 Oak Hill Drive in Jeannette* stated that three names were left of the list of emergency service applications which were submitted. All three, Matthew Griffen, James Bold and George Zimmerman are requesting approval to become members of H.E.M.A. He then reviewed his fire department's actions during the storm and stated that H.E.M.A.'s response was very helpful.
- g. George Silvis from 236 Slate Run Road* submitted pictures and stated that his yard is getting flooded from State road water runoff, runoff from the new plan being constructed (Feightner Estates) and from the debris that is building up in the creek near his house and along the berm of the road. Mr. Volpe and Mr. Schmitt will again be visiting the site to take assessment of the situation and stated that Penn DOT was supposed to berm the right-of-way and clear the debris out of the ditches and pipes. When the water now backs up it gets very close to his house. Mr. George Silvis commented that the new homes have their downspouts and pipes draining directly toward his property, which crosses Slate Run Road and freezes in the winter. There have been several severe accidents where the water crosses the roadway and has frozen.
- h. Dominick Surace from 4043 Blue Willow Street, Irwin* stated he was at another meeting approximately nine months ago about the gentleman (Sean Kistler) diagonally across the road from him that has a business in his home on Penn Manor Road. Mr. Mlakar stated that he had requested the hearing be rescheduled in this matter.
- i. Ron Compton from 12503 Thomas Street in Grapeville* wanted to know how the case against Nick's Junkyard is progressing. Mr. Mlakar stated that this case cannot be discussed publicly at this time and asked Mr. Compton to step outside and he would discuss how the case is progressing.

Introduction:

Mr. Silvis then recognized Chris Kent, the Constable for Hempfield Township, to the members of the audience. Mr. Kent stated that he works approximately 40 hours a week as the Constable. The majority of his work is within the confines of Hempfield Township.

3. EXECUTIVE SESSION

- a. February 11, 2009 – Personnel Issues
- b. February 14, 2009 – Legal and Personnel Issues
- c. February 18, 2009 – Legal and Personnel Issues

Mr. Silvis announced that the Board of Supervisors held executive sessions on February 11, 2009, February 14, 2009 and February 18, 2009 to discuss legal and personnel issues.

4. SECRETARY'S REPORT

- a. Approval of Supervisors Monthly Meeting Minutes for January 26, 2009
Mr. Weimer made a motion, seconded by Mr. Logan, to approve the January 26, 2009 meeting minutes. Vote: 5-0. Motion Carried.

- b. Correspondence:

Letter from Charles Johnson

Mr. Weimer read a letter from Charles Johnson who lives at 914 Sandy Drive lost two of his pine tree during the windstorm. Thanked the Public Works Department for their efficient work in removing the dangerous pine trees.

Letter from the Assistant Deputy Director of Westmoreland County

His letter informed the Township that they had received a Community Development Block Grant in the amount of \$94,000 for cleaning the storm sewers along Zeller Street to help with preventing some of the flooding. Mr. Schmitt stated that this is the first phase of the project which involves clearing out the sediment of the existing storm culvert. This will not prevent the flooding, this will only help. The existing culvert is undersized for that area. A second phase is under consideration to further help those residents along the Zeller Street area.

5. STAFF REPORTS -- (Written reports distributed prior to meeting)

Engineer – Dan Schmitt

Mr. Schmitt stated that his report had been submitted at the Public Work Session. He then updated the Board on the complaint from Russ Carr, who resides in the Evanstown area, on his stormwater concerns. Mr. Schmitt and Mr. Volpe met with Mr. Carr on his concerns. Some of the stormwater from Buffalo Hill does contribute to the existing problem and the Township intends to take care of the problem. When the HTMA sewer problem starts, the Sewage Authority and the Township will combine forces and take care of the stormwater issues. Mr. Carr and his neighbor also have problems with the water run off from the State road on which they front. The Township has made notification to Penn D.O.T. on his behalf. Penn D.O.T. did visit the site and basically came back and said that they were not going to do anything at this point in time. Mr. Carr is not happy with this situation. He has actually put up some roll off barricades blocking where the sewer project is to be located on his property. He was also told to contact Representative Harhai and Senator Ward. Mr. Carr has requested a joint project where he would buy the pipe and HTMA would dig, but it will be on private property, but the Township nor the HTMA will get involved in this. There is a large pipe under the State road. The pipe ended and there was an open channel carrying the water until it got to the railroad bed and then there was a pipe underneath the railroad bed. There are rumors that it is a 24" pipe which is less than the pipe underneath the roadway.

The swail appears to have been eliminated and the water is now piped. The State road was paved last year and the contours or elevations may have changed causing the water to run towards Mr. Carr's and his neighbors property.

Director of Public Works – Mike Volpe

Mr. Volpe stated that he gave his report at the Public Work Session and would answer any questions the Supervisors may have.

Solicitor – Les Mlakar

Mr. Mlakar also stated that he gave his report at the Public Work Session. He then stated that there was a request received from the City of Greensburg to do training on defensive driving at a Township facility. When Mr. Mlakar received the photos from the last time this training had taken place the location was Greengate Mall. The Township does not have a facility parking area large enough to handle this training so the request has been cancelled.

6. TREASURER'S REPORT

Mr. Logan reviewed the Treasurer's Report which is attached to the agenda.

Mr. Davidson then made a motion, seconded by Mr. Bossi, to approve the Treasurer's Report as presented. Vote: 5-0. Motion Carried.

7. PAYMENT OF BILLS

- a. General Fund -- \$653,605.59
- b. Light District Fund-- \$7,563.45
- c. Recreation PLGIT Account -- \$265.75
- d. Third Party VFD Fund -- \$135.15

Mr. Logan made a motion, seconded by Mr. Davidson, to approve payment of the bills as presented. Vote: 5-0. Motion Carried

8. SCHEDULING OF HEARINGS - None

9. DECISIONS FOR HEARINGS - None

10. PLANNED RESIDENTIAL DEVELOPMENTS (PRD)

- a. Consideration to Approve Resolution #2009-22, Which Grants Final Conditional Approval to the Fairfield Estates PRD/PHOCC Phase #1

Mr. Davidson made a motion, seconded by Mr. Bossi, to approve Resolution No. 2009-22.

Mr. Silvis called for the question.

Question:

Mr. Davidson questioned how many phases this PRD would have. Mr. Mlakar stated that there would be two phases. The first phase does not include the stormwater issues.

Vote: 5-0. Motion Carried.

11. SITE PLANS

- a. Consideration to Approve Resolution #2009-23, Which Grants Final Conditional Approval to the Baker Hughes Inc. Site Plan (#20080076)
Mr. Davidson made a motion, seconded by Mr. Logan, to approve Resolution No. 2009-23. Vote: 5-0. Motion Carried.

- b. Consideration to Approve Resolution #2009-24, Which Grants Final Conditional Approval to the Towne Square Shops Site Plan (#20080068)
Mr. Mlakar explained that this was approved by the Zoning Hearing Board as a non-conforming use expansion. The only condition is the execution of a Developer's Agreement, Best Management Practices for Stormwater Management, posting of \$42,955 in financial security and escrow construction security fees in the amount of \$3,006.85. This will be a shopping plaza.

Mr. Davidson made a motion, seconded by Mr. Bossi, to approve Resolution No. 2009-23 with conditions. Vote: 5-0. Motion Carried.

12. SUBDIVISION PLANS

- a. Consideration to Approve Resolution #2009-25, Which Grants Final Approval to the Harrold-Harrold-Rudolph-Hartwig Plan (#20080056)
Mr. Davidson requested to be brought up to date on this plan. Mr. Mlakar stated that this lot runs from Warwick Drive to Kintigh Drive. They are dividing it in half. They will retain the property on Kintigh and sell the Warwick Drive property to the adjacent property owner.

Mr. Davidson made a motion, seconded by Mr. Logan, to approve Resolution No. 2009-25. Vote: 5-0. Motion Carried

13. ACTION TO BE TAKEN

- a. Consideration to Cancel Typewriter Service Agreement with Konica-Minolta Business Solutions USA, Inc.
Mr. Logan made a motion, seconded by Mr. Bossi, to cancel the typewriter service agreement with Konica-Minolta Business Solutions. Vote: 5-0. Motion Carried.
- b. Consideration to Approve Authorizing the Public Works Director to Take the Necessary Measures to Approve the Request by Greensburg Central Catholic High School to Temporarily Close Portions of SR-Carbon, SR-Thomas School, and T-Armory Roads for 50th Anniversary Homecoming Parade October 17, 2009 from Approximately 11:00 am to 12:00 pm
Mr. Mlakar stated that a member of the secretarial staff will be handling the paperwork with the school and Penn D.O.T.

Mr. Bossi made a motion, seconded by Mr. Davidson, to approve the closing of the road for the 50th Anniversary Homecoming Parade. Vote: 5-0. Motion Carried.

- c. Consideration to Approve Authorizing Advertisement of Ordinance Amending Chapter 83 (Vehicles and Traffic) of the Township Code, Specifically Section 83-23, To Increase the Violations and Penalties for Violated Parking Regulations as Established by Article 3 of Chapter 83

Mr. Bossi made a motion, seconded by Mr. Davidson, to approve authorizing the advertisement of the Ordinance Amending Chapter 83. Vote: 5-0. Motion Carried.

- d. Consideration to Approve the Following Emergency Service Applications Pending Successful Completion of a Physical Examination:

1) Rita Dull	Adamsburg VFD	Sr. Firefighter
2) William Dull	Adamsburg VFD	Sr. Firefighter
3) John Hutchins	Fort Allen VFD	Jr. Firefighter
4) Robert Johnson	Hempfield #2 VFD	Sr. Firefighter
5) Leonard Cavalier, Jr.	Hempfield #2 VFD	Jr. Firefighter
6) Abigail Cavalier	Hempfield #2 VFD	Jr. Firefighter
7) Kayla Kline	Hempfield #2 VFD	Jr. Firefighter
8) Jeffrey Thiel	Hempfield #2 VFD	Jr. Firefighter
9) Cory Manley	Fort Allen VFD	Jr. Firefighter
10) Edward Voron	Fort Allen VFD	Sr. Firefighter
11) Michael Migyanka	Fort Allen VFD	Sr. Firefighter
12) Harley Highberger	Luxor VFD	Jr. Firefighter

Mr. Weimer stated that two names were left off the list of emergency service applicants and added Jerry McCracken to Fort Allen VFD and Ricky Smail to HEMA.

Mr. Weimer then made a motion, seconded by Mr. Logan, that the twelve (12) applicants listed on the agenda, plus the two that were mentioned earlier (Jerry McCracken and Ricky Smail), be approved following the completion of a successful physical. Vote: 5-0. Motion carried.

Mr. Weimer also stated that three names had been submitted and were erroneously left of the list for approval. They are James Bold, George Zimmerman and Matt Griffin requesting approval to join HEMA.

Mr. Weimer made a motion, seconded by Mr. Logan, to approve their request pending receipt of their completed emergency service applications along with the completion of a successful physical if applicable. Vote: 5-0. Motion Carried.

- e. Consideration to Approve Appointment of Township Representative and Alternates to the Tax Collection Committee for County Wide Earned Income Tax Collection

Mr. Bossi made a motion to appoint Tom Logan as the Township representative, Mr. Davidson seconded the motion. Vote: 5-0. Motion Carried.

An alternate was not appointed at this time.

- f. Consideration to Approve Authorizing the Purchase of 2009 F-550 Dump Truck from Tri-Star Ford for \$62,594.44, Costars Contract #013-049

Mr. Logan made a motion, seconded by Mr. Davidson, to approve the purchase of a 2009 F-550 Ford dump truck in the amount of \$62,594.44 on the Costars contract. Vote: 5-0. Motion Carried.

- g. Consideration to Approve 2009 Surplus Equipment Auction and Authorize Public Works Director to Set Date with Mark Ferry Auctioneers, Inc.

Mr. Bossi made a motion, seconded by Mr. Davidson, to approve the 2009 Auction and authorize the Public Works Director to set the date with Mark Ferry Auctioneers. Vote: 5-0. Motion Carried.

- h. Consideration to Approve Appointing One Hempfield Township Collective Bargaining Unit Member, One Secretarial Department Member, Township Manager, Public Works Director and One Hempfield Fire Department Representative to 2009 Township Employee Safety Committee

A brief discussion ensued about appointing members to the Safety Committee. Mr. Mlakar stated that the members must volunteer for the appointments. Mr. Volpe would be on the committee, along with the Township Manager and Dan Nescot as the Fire Department/Emergency Services representative. The Collective Bargaining Unit and Office representatives have yet to be named.

Mr. Logan made a motion, with Mr. Bossi seconding, to approve Mr. Volpe, the Township Manager and Dan Nescot as members of the Safety Committee for the year 2009. Vote: 5-0. Motion Carried.

- i. **Consideration to Approve Authorizing the Purchase of Collapsible Batting Tunnel 72'L x 18' W x 12' H. Three Quotes Have Been Submitted Below:**

- | | |
|------------------------------------|---------------------------------------|
| 1) BSN Passon Sports | \$5,588.88 (including shipping costs) |
| 2) Athletic Warehouses | 5,093.49 (including shipping costs) |
| 3) Morely Athletic Supply Co, Inc. | 4,841.99 (including shipping costs) |

Mr. Logan made a motion, seconded by Mr. Bossi, to purchase the collapsible batting tunnel from Morley Athletic Supply in the amount of \$4,841.00, including shipping. Vote: 5-0. Motion Carried.

- j. Consideration to Approve Purchase of Six Roll-up Mesh Curtains for HTAC Basketball Courts to Protect Walking Path and Facility Walls at a Cost of \$41,335.00 Including Installation on the State COSTARS Contract

Mr. Davidson made a motion, seconded by Mr. Bossi, to table the purchase of the mesh curtains. Vote: 5-0. Motion Carried.

- k. Consideration to Approve Establishing July 18-19, 2009 as the 2009 Hempfield Community Festival Date to be Held at Hempfield Park

Mr. Bossi made a motion, seconded by Mr. Logan, to approve holding the 2009 Hempfield Community Festival from July 18 through 19, 2009 which is held at Hempfield Park. Vote: 5-0. Motion Carried.

- l. Consideration to Approve Resolution #2009-26, Which Outlines Agreements between Hempfield Township and Freedom One Investment Advisors, Inc. for the Hempfield Township Employee Defined Benefit Pension Plan
Mr. Bossi made a motion, seconded by Mr. Logan, to approve Resolution No. 2009-26. Vote: 5-0. Motion Carried.

- m. Consideration to Approve Hiring 2009 Spring Recreation Part-Time Staff (See Attachment)
Mr. Bossi made a motion, seconded by Mr. Logan, to approve hiring the part-time spring recreation staff as listed. Vote: 5-0. Motion Carried.

- n. Consideration to Approve Resolution #2009-27, Which Establishes a Confidentiality Agreement for Hempfield Township Volunteer Fire Departments for Township Data to Support Fundraising Efforts
Mr. Bossi made a motion, seconded by Mr. Davidson, to approve Resolution No. 2009-27

Mr. Mlakar commented before the vote that this is a standard form requiring the volunteer fire departments to come before the Board of Supervisors every time they plan on holding a fundraiser for approval. They must give the Township at least a 30-day written notice of what the data is needed for and when they want it. The Supervisors must know what kind of fundraiser the fire department plans on having.

Vote: 5-0. Motion carried.

- o. Consideration to Approve Resolution #2009-28, To the Establishment and Maintenance of Township Employees Pension, Annuity, Insurance and Benefit Fund or Funds, to Amend Certain Provisions of the Pension Plan or Program Applicable to the Employees of Hempfield Township
Mr. Davidson made a motion, seconded by Mr. Logan, to approve Resolution No. 2009-28. Vote: 5-0. Motion Carried.
- p. Consideration to Approve Resolution #2009-29, Which Adopts Revisions to the Township Code Office Permitting Fee Schedule
Mr. Logan made a motion, seconded by Mr. Davidson, to approve Resolution No. 2009-29. Vote: 5-0. Motion Carried.
- q. Consideration to Approve Request of Hempfield Township Chiefs Association and Adamsburg VFD for Support with a Seminar/Class Taught by the State Fire Commissioner titled **“Courage to be Safe” by Allocating Township Funds from the 2009 Budget in the Amount of \$500.00**
Mr. Bossi made a motion, seconded by Mr. Logan, to approve the request and make payment for the Seminar/Class in the amount of \$500. Vote: 5-0. Motion Carried.

- r. Consideration to Approve Request from EOC Director to Attend 2009 National Community Preparedness Conference August 9-12, 2009 in Arlington VA and Cover All Costs
Mr. Bossi made a motion, seconded by Mr. Davidson, to approve Greg Zimmerman, the HEMA Coordinator's request to attend the conference in August of 2009 in Arlington Virginia and cover all costs of attendance.

Mr. Mlakar stated that after Mr. Zimmerman's attendance he would be required to fill out the Township's standard reimbursement form for expenses and he should be pre-registered with the registration fee paid in advance.

Vote: 5-0. Motion Carried.

- s. Consideration to Approve Resolution #2009-30, Which Ratifies Agreement with Michael's Publishing for Township Mapping Data to be Used to Create a New Township Map
Mr. Bossi made a motion, seconded by Mr. Davidson, to approve Resolution No. 2009-30.

Mr. Bossi inquired how this project was progressing. Mr. Weimer stated that the publisher still need more information. Mr. Silvis stated that he understood that all the fire hydrants in the Township were going to be placed on the map. There are approximately 947 fire hydrants within the Township. Mr. Nescot stated that he received a list of the hydrants from the Water Authority and then requested that the fittings on the hydrant be changed to 5 inch fittings. Mr. Logan requested a copy of t hydrant list from Mr. Nescot.

Vote: 5-0. Motion carried.

- t. Consideration to Approve Assisting Tillbrook Recreation Association with Initial Construction Costs of Constructing Two Ballfield Dugouts at the Tillbrook Ballfields with Reimbursement to Follow from a State Grant in the Amount of \$5,000.00 and to Cover Any Additional Costs for Project. The Quotes Have Been Submitted Below:

1) REHCON Construction, Inc.	\$12,404.00
2) Francis Roofing, Heating, A/C & Excavating	6,035.58
3) Bill Greenwalt Construction	5,100.00

Mr. Bossi made a motion, seconded by Mr. Davidson, that the Township assist Tillbrook Recreation with the initial construction and with the project going to Bill Greenwalt Construction in the amount limited to \$5,100.00 and that Hempfield Township be reimbursed in the amount of \$5,000 from the State grant that Tillbrook Recreation Association is to receive. Vote: 5-0. Motion Carried.

14. NEW BUSINESS - None

15. OLD BUSINESS - None

16. PROCLAMATIONS AND CERTIFICATES OF ACCOMPLISHMENT - None

17. SUPERVISORS' COMMENTS

Mr. Logan commended Mike Volpe, Doug Cisco and Greg Zimmerman for the work they did during the wind storm event.

Mr. Bossi thanked the office staff for stepping up and handling the day to day business during this transition period. They have performed over and above and he appreciates it.

Mr. Weimer stated that the E.O.C. was well organized during the storm and thanked the emergency services volunteer along with the fire departments for a fine job.

Mr. Silvis stated that everyone did a great job during the storm and thanked the Red Cross for their efforts.

18. ADJOURNMENT

Mr. Silvis announced that the meeting was adjourned.

Meeting adjourned at 8:40 p.m.

R. Douglas Weimer, Secretary

John Silvis, Chairman
